

Would you like to help?

Luto works to make patient information clear and easy to understand. With your help we can test and improve this important information.

- If eligible, volunteers help by taking part in a session lasting around 40 minutes and will receive £20.
- We are looking for people of all ages, genders and educational backgrounds.
- We are also looking for people and carers of people who have:
 - Hepatitis C
 - Blindness or are partially sighted
 - Glaucoma
 - Irritable Bowel Syndrome (IBS) or stomach cramps

To find out more contact our friendly team today
